Dear Raphael,

BRAVO is pleased to honor you with a **2018 BRAVO Community Service Award**. Each year BRAVO honors individuals and organizations that have gone above and beyond in their service, dedication and work within and on behalf of the Lesbian, gay, Bisexual and Transgender (LGBTQI) communities.

We are grateful for your service and commitment to the LGBTQ community. As Deputy General Counsel for the ACLU of Ohio as well as on the Executive and Nominating Committees, and your service as Cooperating Attorney for the Central Ohio Fair Housing Association, you demonstrate your passion for justice and equality. Though your work as the immediate past President of the Board of Directors for Kaleidoscope, you were instrumental in the continued partnership between BRAVO and Kaleidoscope to ensure and increase access to services and programs for LGBTQ youth and families across Ohio.

We also thank you for your counsel and insight, which has been helpful as we move BRAVO's mission forward.

BRAVO will present your award during the reception at our annual signature event, **Guess Who's Coming to Dinner at Latitude 41** on May 19th, 2018. We invite you and a guest to attend. Just let us know if you'd like to bring someone to celebrate with you.

Congratulations!

Sincerely,
